

MUSICOUNTS BAND AID PROGRAM APPLICATION CHECKLIST

For your MusiCounts Band Aid Program application to be considered complete, you must:

- Successfully submit Application Stage 1**, which will require:
 - Basic information about your school

- Successfully submit Application Stage 2**, which will require:
 - Detailed information on the framework of your school's music program
 - Information related to the need-level of your school, supported by stories and statistics that reference the population served by your school
 - Stories and anecdotes that establish the potential impact that the MusiCounts Band Aid Program may have on your school and its students
 - A list of your school's current inventory of musical instruments
 - A list that details your school music program's Wishlist of musical instruments & equipment
 - Up to four supporting documents, which may include letters of support, photos, etc.

We strongly recommend you submit Stage 1 of your application as quickly as possible, as Stage 2 will require much more detail and will take longer to complete. Please note that you will only be able to proceed to Stage 2 of your application 1-2 business day following your successful submission of Stage 1.

For a more comprehensive overview of the application requirements, please view the sample application.
